Duty of care

Staff on duty in the Aquatic area during the children's party have a general duty of care to all swimming pool patrons.

The safety and supervision of all children at the party remains the responsibility of the supervising adults attending the party.

As part of the watch around water initiative all children under 12 must be supervised by an adult over the age of 18 years at all times. All children under 5 years old must remain within arms reach of an adult at all times and we require 1 adult to 2 children under 5 years old.

Birthday party requirements

Please do not send out invites until the party has been confirmed by the bookings officer. Should there be any conflict with pool availability Leschenault Leisure Centre will not accept responsibility if invitations have been sent out prior to receiving confirmation from the bookings officer. Bookings are subject to availability.
