

## Membership Terms & Conditions

1. Each Membership is based on the entitlement to the use of the facilities and services of the Centre, how frequently the membership is used. Failure to avail the use of the facilities does not absolve the member from their responsibilities under this agreement.
2. This membership only entitles the holder of the membership to access the facilities that are included under their specific membership type. Members who are found to be using their membership for any conduct that is not in the spirit of the agreement, such as to grant another person use of or access to the centre facilities, will be in breach of contract and will have their membership cancelled as a result.
3. The on-selling of membership privileges is a breach in contract and will result in immediate membership cancellation.
4. **Eligibility and requirements for this membership:**
  - This membership is only available for persons 80 years of age and over – this requires documentation of proof of age. Current members who turn 80 will become eligible once their current membership expires.
  - A medical clearance must be provided verifying that the person is fit and able to utilise this membership.
5. Cancellation: As this is a perpetual Lifetime Membership with no expiry, we request that, should you no longer require the use of this membership, that you inform the centre in writing so that it can be cancelled down (with no fee). Upon audit, if this membership is found to not be in use for an extended period of time, we will endeavour to contact you to verify if you still require this membership. If we are unable to make contact, the membership may be terminated at the discretion of management. This membership can be re-applied for at a later date as a new membership application.
6. This membership is Non-Transferrable.
7. The Centre strongly recommends that you see your doctor if you have any doubts in your mind whatsoever regarding the participation of any activities in the Leisure Centre.
8. Each member must scan their membership card on entry to the pool and/or gymnasium. At no stage are you permitted to give your Card to non-members to allow them to access the Centre. Members attending group fitness classes must write their name on registration sheets before starting the group fitness class.
9. Users are reminded that the entire centre is strictly a non-smoking area.
10. Eating or drinking is only allowed in the area surrounding the servery. Food and drink is prohibited on all playing surface areas of the centre. Water bottles with re-sealable lids are permitted.
11. The Manager or Venue Officer shall have the right to expel any person or group using the facilities, should their action or conduct be considered prejudicial to the proper use of the Centre. Memberships may also be cancelled and a fine imposed under the Council's local laws.
12. Should any injured person require first aid, please contact a member of staff at the Centre. The Centre staff will call emergency services should they deem it necessary. Injured parties will be liable for any costs that may result.
13. If evacuation is required centre staff will warn people to evacuate. You must follow the instructions of staff at this time and leave the building.
14. Cameras and video equipment are not to be used in the Centre unless prior written permission has been sought from the Centre Manager.
15. Clients are required to observe the gym and facility rules. All clients must wear enclosed shoes, wear a shirt and bring a sweat towel to each gym session, and must always use clips provided to secure plates on barbells.
16. For security reasons, your photo will be taken prior to the commencement of your membership.
17. Conditions of Squash Court Usage:
  - Not valid during squash club nights or events.
  - Does not include equipment hire.
  - The member must be on court at all times. Failure to adhere to this will result in cancellation of membership.
  - Members may book a squash court no more than one week in advance and up to a maximum of 1½ hours daily.

### Recommended Health Appraisal Booking

We recommend that members book in for a complimentary Health Appraisal which is used to create a personalised gym workout program, and includes a Supervised Workout with our trainers to take you through this program.
